

A large, multi-story brick building with a prominent chimney and a glass-enclosed entrance. The building is surrounded by greenery and a paved area.

Weekly Ashton House Newsletter

19th June 2020

Experiencing Zen mode at Ashton House

This week we have decided to pamper our residents organising a SPA day. The lounge has been transformed for the occasion into a relaxing place, with nice music being played while they were treated to facials and pedicure. Photos will be available on FB.

INTERNATIONAL DAY – 26th of June 2020

To honour the diversity in Ashton House, we have decided to organise an International day at the end of this month, where each of us will bring a bit of their own country in to celebrate with everyone.

Each employee is required to wear an attire which comes from either their country or another one of their choice.

Our residents will feel like they took off on a journey around the world for a day!

Next week more entertainment and trips are coming up, with the nice weather returning to West Sussex, hopefully to stay!

Biggest Covid free home in West Sussex

We are proud to say that Ashton House is currently the biggest Home in West Sussex which is Covid free.

We cater to residents needing 24 hour nursing care, residents who need specialised dementia care, Palliative/End of life care, End stage cancer care, post-operative care and multiple comorbidity.

We would not have reached this very important achievement without the amazing staff working with high standards but also without the big sacrifice that we recognise each family had to make during the past few months.

We thank you once again for your cooperation in ensuring protocol is always put in place for visitors followed with a smile on your face! Your show of support is what gives us the opportunity to keep your loved ones and staff safe every day.

You can still take advantage of this opportunity, just call in and book an appointment with the nurses.

Appointments are available only from 10am to 5pm.

Thank you for your continuing support and cooperation

Bincy or Iris on 01444 459 586 ext. 208 or 207
